## Intro:

|Bm . . . |G . . . |Asus . A . |Em7 . Em . |

## VERSE 1:

                  Bm                  G                                  Asus A  
I'm out of my depth, I'm not sure what I'm asking for  
                                  Em7 Em

But I'm asking anyway

                  Bm                  G                                  Asus A  
I'm in over my head, this is further than I've been before  
                                  Em7 Em

But I won't be afraid

## PRE:

                  Bm                                  G                                  D/F#  
If Moses saw you face to face and called you a friend  
                                  A

Would you do it again

## CHORUS:

                  Em A                                  D Bm  
Show me your glory, ..show me your glory

                  Em A                                  D  
Show me your glory, ..show me your glory

## VERSE 2:

                  Bm                  G                                  Asus A  
I'm out of control, not sure where we're about to go  
                                  Em7 Em

But I'm going anyway

                  Bm                  G                                  Asus A  
Into the unknown, so deep that I can't see below  
                                  Em7 Em

But I am not afraid

## PRE 2:

                  Bm                                  G                                  D/F#  
Moses saw you face to face and even still he asked  
                                  A

What I have longed to ask

**BRIDGE:**

G                    A  
Unveil my eyes, reveal yourself  
Bm                                    D/F#  
Let me see the measure I can stand  
   G  
Risk my life for just one glance

**BRIDGE LAST TIME:**

G                    Bm A                    A/C#  
Unveil my eyes,    reveal yourself  
Bm                                    D    D/F#  
Let me see the measure I can stand  
Risk my life for just one glance  
Em                    D/F#  
Unveil my eyes, reveal yourself  
G                                    D    Asus A  
Let me see the measure I can stand
